Greer stated that Paris was the fourth largest church in the Kentucky conference in point of membership. This closes Rev. Greer's first year as pastor here, and it is generally hoped the conference now in session in Lexington, will again assign him to the Paris church.

## RUNAWAY GIRL ARRESTED BY POLICE CHIEF

May Scott, a sixteen-year-old white girl, who admitted that she had run away from her home in Rome, Georgia, to see the world, was taken into custody here by Chief of Police Link, Wednesday. Shortly after a Paris woman who became interested in the girl's case, furnished money for her passage back home. She was placed in the care of a Louisville & Nashville conductor, and started on the long journey to Georgia.

The girl stated that she wanted to see the world. She came from Rome as far as Somerset, on a Cincinnati Southern freight train. She was detained there by the authorities, and sent on to Cincinnati. There she crossed the river to Covington, walked along the L. & N. tracks twenty-five miles, and finally "hopped" an L. & N. freight, arriving here Wednesday. She claimed to have a wealthy aunt residing in Chattanooga, Tenn. She told Chief Link that as she was coming from the L. & N. yards, a young man whom she did not know induced her to take a ride in his machine with him, and that she jumped from the machine a short distance out of Paris when he became too demonstrative, and came back to this city.

## COUNCIL SPECIAL SESSION

The Council met in special session Tuesday night. After the consideration of routine business, Fireman Earl McCracken was elected to succeed Swift McGoldrick, resigned as Fire Chief, and Spears Pendleton as fireman and City Electrician. Councilman John J. Williams, chairman of the special committee to consider the complaint of citizens on South Main street in reference to the seed cleaning plant of E. F. Spears & Sons being a dust nuisance to that neighborhood, filed a full report covering all details of the investigation, and clearing the firm. Mr. Williams also submitted a report to the effect that the Board of City Supervisors declined to reopen the matter of an increased valuation on city property. Dr. J. A. Gilkey was granted a building permit for the erection of a tobacco barn within the city limits, to cost approximately \$1,400.
